

TRIPLE-A HALF DAY

2013 Medication Policy

984 Tuckerton Road, Marlton, New Jersey 08053 ~ 856-985-9792 ~ Fax 856-985-2878

Dear Parents/Guardians,

Our medication policy is to encourage parents to administer all medications at home. However, we recognize that children with chronic illnesses, specific disabilities and special needs may require medication during the day, and we strive to meet those needs responsibly and with discretion.

It is required that a **physician's approval** and a **written parental consent accompany all medication — including prescription and over-the-counter, non-prescription medications**. All medication should be brought to camp **by the parent** and delivered to the nurse's office where it will be stored. No medication is to remain with your child. **Prescription medication must be submitted in its original container. Non-prescription medication must be clearly labeled with the child's name, name of medication, time and dosage.** All medication will be administered on site by our registered nurse. A registered nurse will also accompany campers on our field trips.

This policy is consistent with the standards and practices of nursing and the policy of the Township of Evesham. It is also a safety precaution for the welfare of your child.

Please keep a copy of the permission form for future reference.

We appreciate your cooperation and support. If you have any questions, please call the Recreation Department at 856-985-9792 between 8:00 a.m. and 4:00 p.m.

Sincerely,

Debra Rumbos

Township of Evesham
Recreation Coordinator
